
RSS Feed

Posted by laurentmars - 2007/03/23 12:13

Hi,

Is it possible to implement an RSS feed generator with an image, so my property can be use as a news feed in another website

Hi,

we have put this function on our todo-list. It will be included in one of the next ME versions.

//Edit: it's done! You can see it work over there -> show me the demonstration.
