You can add your new language here:

/components/com_estateagent/languages

and start the translation

Hi Ozz1,

Would you be willing to share your work with others? Like uploading it to the Download section?

I'm also in the need of finnish translation...

thank you in advance,
with all the best wishes....

Hi to all,

I think here a help is needed about multilanguage feature:

http://www.misterestate.com/component/option,com_joomlaboard/Itemid,7/func,view/id,4591/catid,8/
