
my search takes me back to my home page please hel

Posted by lightload - 2008/03/03 17:56

I have put the component here while i am sorting it out

http://in2town.co.uk/component/option,com_estateagent/Itemid,1631/ and i am finding that when you press search it does not work and takes me back to my home page which is www.in2town.co.uk can anyone help with this problem
