
New: W voor Wonen

Posted by DavidAndrew1 - 2007/08/16 10:35

I just put my newly created Mister Estate site online:

<http://www.wvoorwonen.nl>

It is a small, but effective site. It uses:

Artio SEF - SEF URLs (see my other post)

PerForms - forms

JCE Editor - WYSIWYG (the best!)

JoomFish - Translation

Very nice.!!!

With regards,

Robin.
