---

I would like to modifi Quick search modul for MisterEstate 1.1.0. to show dropdown list with preentered criteria like:

1. from 0,00 to 100.000,00 \$
2. from 100.000,00 \$ to 200.000,00 \$
3. above 200.000,00 \$

Can somebody help me to do this the easiest way!

Sorry on my bad english!

&

Thanks in advance!
