
corrupt EA RC1 file

Posted by chouk - 2006/01/07 00:52

the archive file estateAgent.zip is "damaged or in unknow format" ???!...

the same error after many downloads...(with IE or Firefox)

I have the same!

The component and the module!.

All those are corrupted.

hier auch
Inhalt des zip-Files:

Warning: fopen(/home/httpd/vhosts/bits-dont-bite.net/httpdocs/downloads/EstateAgent.zip): failed to open stream: Permission denied in /home/httpd/vhosts/bits-dont-bite.net/httpdocs/administrator/components/com_docman/classes/DOCMAN_file.class.php

Hi all,

should be ok now. The files were ok, it was a server problem.

regards,

Darko
